Inclusion and diversity

Alberton Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities, for example, schools sports, concerts, excursions and camps, on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Alberton Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Alberton Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in
